III. Miscellaneous Provisions

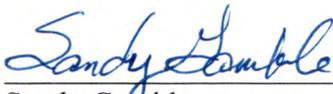

- A.) Conflict of Law.** This Agreement does not supersede or release the School Board or Valencia from any legal or other obligations set forth by the Board of Education or the State of Florida and that if any part(s) of this Agreement is (are) in conflict with any law, statute, or rule, then such part(s) shall be deemed inoperative to the extent it conflicts there within and shall be modified to conform to such law, statute, or rule.
- B.) Funding Out.** To the extent any external funding is required by the College in order to implement this Agreement and funding for such purposes is not appropriated to the College by the Legislature of the State of Florida or is not otherwise available to the College, the College shall thenceforth have no further financial obligations hereunder. In the event the College does not have sufficient legislative appropriations to carry out any obligations under this Agreement, it shall immediately notify the School Board of such fact and of such portions of this Agreement that may be deemed terminated as a result of such failure of appropriations.
- C.) Term, Renewal, and Termination.** This Agreement is effective for the 2018-2019 and 2019-2020 academic years as defined by Valencia. This Agreement may be renewed for additional one (1) year periods upon mutual written consent by the parties. Either party may terminate this agreement with sixty (60) days' written notice to the other party; however, in the case of a termination mid-semester, students enrolled in any course shall be given the opportunity to complete the course.

- D.) Amendments. The provisions of this Agreement may only be amended, supplemented, waived or changed in writing with specific references to this Agreement which is signed by both parties.

The parties further covenant that no otherwise qualified individual shall, solely by reason of his/her race, color, handicap, disability, gender, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Agreement.
- H.) No Third-Party Beneficiaries. The parties expressly acknowledge that this is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. Nothing herein shall be constructed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any manner arising out of this Agreement.
- I.) Confidentiality of Student Records. The parties understand and mutually agree that they are subject to all federal and state laws and School Board rules relating to the confidentiality of student information.
